

# EY Tax Form Validation Services

Helping clients navigate customer tax reporting with ease

The Ernst & Young LLP Customer Tax Operations Reporting Services team is comprised of tax technical, tax operations and technology professionals capable of addressing an organization's global jurisdictional tax obligations through leveraging proprietary EY technology solutions, such as the EY Electronic Tax Form Validator (eTFV).

Become a client of EY Tax Form Validation Services (TFVS) and delegate the highly complex process of validating IRS Forms W-8/W-9 and CRS self-certifications to Ernst & Young LLP. Leveraging the eTFV, our market leading tax form validation solution, the experienced TFVS team will be able to quickly turnaround comprehensive results that can be relied upon.

Key highlights of TFVS for you:

- Comprehensive results, including all the demographic information needed for year-end reporting
- Enable client resources to focus on other value-add activities

## EY TFVS

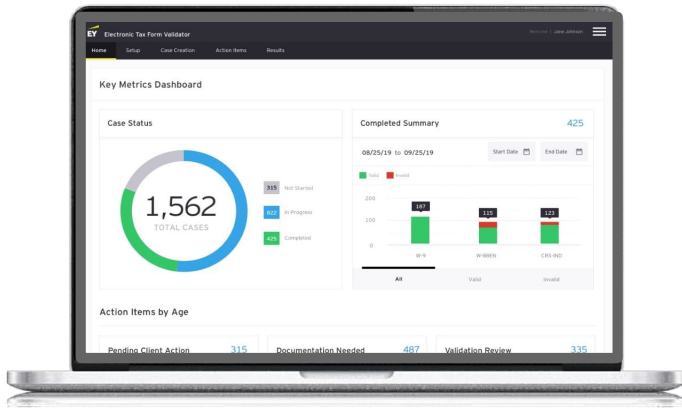

As regulatory rules evolve globally, Ernst & Young LLP recognizes the complexity and challenge that information reporting can be for clients. We offer an innovative, efficient and cost-effective solution through our TFVS:

- Reduced risk of noncompliance
- Enables employees to focus on value-add tasks
- Seamless set up for year-end reporting

## Features and benefits of the eTFV

The TFVS team leverages experienced EY professionals and our leading class solution, the eTFV, to perform the tax form validation process for our clients, enabling internal talent to focus on other value add tasks.

- Process improvement
- Accurate tax form validation logic
- Manage risks

Clients who utilize TFVS will receive considerable benefits from the following:

- Trusted and correct validation of customer tax forms
- Digitization of tax form data
- Workflow
- Standardized consumable outputs to aid in reporting (e.g., 1042-S, 1099, FATCA/CRS) and withholding
- Time and cost savings

### Why EY?

Ernst & Young LLP is committed to providing an industry leading class customer tax operations utility for a broad set of industry participants.

Accordingly, the EY TFVS team offers critical functionality to help facilitate that we exceed your tax form validation needs.

## EY | Building a better working world

EY exists to build a better working world, helping to create long-term value for clients, people and society and build trust in the capital markets.

Enabled by data and technology, diverse EY teams in over 150 countries provide trust through assurance and help clients grow, transform and operate.

Working across assurance, consulting, law, strategy, tax and transactions, EY teams ask better questions to find new answers for the complex issues facing our world today.
